Appointments From The Estate of Thomas Hannon

Dispersal for Thomas Hannon

The late Thomas Hannon was well known locally, nationally and internationally as an avid horse drawn carriage collector and the first to import the Friesian horse from the Netherlands to America in over 300 years. He was past president of the Carriage Association and a founder of the Carriage Museum of America. He authored the book “Walk On”.

Paul Martin, Jr. and Martin Auctioneers are very honored to conduct the auction of Coaches, Carriages and all Appointments to include stable & coach house furniture (appointments) for the Hannon Family. Many who knew Tom were very familiar with Tom's desire for only the best of quality and to present their turn outs in equally the same manner. We invite you to attend this great venue with a special Friday Session. Contact our office for colored brochures and catalogs for this important collection being offered at the Lebanon Fairgrounds, Lebanon, PA.
